

## Facilities and Safety How-To Guide: Obtaining Your NID and Setting Up Your NID Password

### Launch Internet Explorer

Click on the Internet Explorer icon at the bottom left of the computer screen.

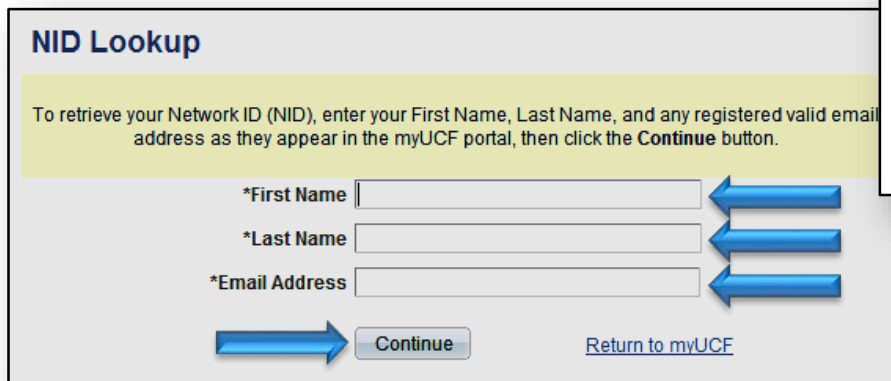

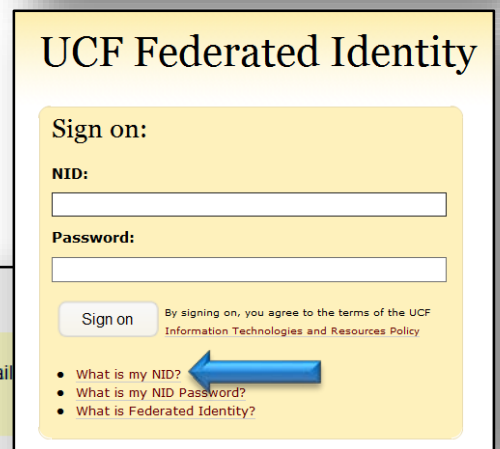

### Go the "myUCF" Website

1. In the address bar at the top of the screen, type **http://my.ucf.edu**.
2. Press the "Enter" key.

### Look Up Your NID

1. On the "myUCF" screen, click **What is my NID?** in the lower left.
2. On the "NID Lookup" screen, type in your **First Name**, **Last Name**, and **Email address** (use the computer mouse or press the "Tab" key to move to each field and begin typing).

A screenshot of the "NID Lookup" web form. The title is "NID Lookup". Below the title is a yellow box with the text: "To retrieve your Network ID (NID), enter your First Name, Last Name, and any registered valid email address as they appear in the myUCF portal, then click the Continue button." There are three input fields: "\*First Name", "\*Last Name", and "\*Email Address". Each field has a blue arrow pointing to it. Below the fields is a "Continue" button with a blue arrow pointing to it, and a link "Return to myUCF".A screenshot of the "UCF Federated Identity" sign-on page. The title is "UCF Federated Identity". Below the title is a yellow box with the text: "Sign on:". There are two input fields: "NID:" and "Password:". Below the fields is a "Sign on" button. To the right of the button is the text: "By signing on, you agree to the terms of the UCF Information Technologies and Resources Policy". Below the sign-on area is a list of links: "What is my NID?", "What is my NID Password?", and "What is Federated Identity?". A blue arrow points to the first link.

3. Click the "Continue" button.

The system will send you an email containing your NID. Check your email to obtain this information.
